

I'll Set You Up in Your Own Very Profitable Business!

I've Done All the Work for You. All you do is make copies of the form I'll send you and mail it. ***It Never Fails to Make Money!***

Millions of people are in mail order, selling Income Opportunity, MLM, Gifting and Chain-Letter programs. And every one of them needs good mailing lists.

I want to set you up in your very own profitable mailing list business that you can launch easily, inexpensively and quickly - and then grow it to whatever size you want. You can start on your kitchen table in just 30 minutes a day. **And I'll do ALL the work for you!**

THIS PLAN NEVER FAILS: You just Copy & Mail the same 1-Page, 1-Side Form that I personally mail out every day! ***IT NEVER FAILS TO MAKE MONEY!***

MY 1-PAGE FORM (PRINTED ON ONLY 1 SIDE) CONSISTENTLY PULLS IN ORDERS!

But it took years of testing to make that happen. Now you can easily benefit from my hard work. I'll permit you to use my copyrighted form that can *immediately* make money for you! *All you do is make copies and mail them.* **That's it - I'll do the rest!**

>> You keep 45% of the money and I'll do 100% of the work for you!

THIS PLAN IS EASY! It would be hard to make a mistake even if you tried. I don't care if you're a High School Drop-Out, a Retired Senior Citizen, or anything in between...my system *will* work for you!

THIS IS NOT A FAD! I've had a huge demand **for decades** and it's increasing. And as my authorized affiliate you can profit from this increasing demand. As long as you mail out the form I'll provide you can continue to pull in ***a steady flow of money!*** With this system you really can make money ***Fast!*** You can get started for the price of a pair of movie tickets... and it takes only 30 minutes at your kitchen table to mail about 100 of these forms. **>> And the more of them you mail, the more money you can make!**

This business will be yours to grow as fast and as big as you want. It's totally up to you. I need people I can work with long-term so, to test your sincerity I want you to 'Put Skin In The Game' by paying a small one-time lifetime fee of only \$25 to become my partner.

>> Remember, if you don't make money, neither do I. That's fair, right?

Get yours with YOUR name & address on it - all orders come directly to YOU! **You keep 45% and send me the rest. And I'll do 100% of the work!** Just make copies and put one in everything you mail. *The more you mail the more you make!* To receive yours (*with full instructions*) order online at **www.ExcellentLists.com/store** or send Name & Address (phone & email address are optional) with your One-Time Lifetime Fee of \$25 Cash or Money Order (no checks) payable to Mark Beshara.
