

Email Leads!

SEND AN EMAIL, MAKE A SALE! IT'S THAT EASY!

USE MY EMAIL LEADS TO AVOID PRINTING & POSTAGE EXPENSE!

For the past several years I've received at least four requests every week asking for good-quality email leads. "Good Quality" means deliverable and NO SPAM.

To avoid the dreaded Spam I ensure that each of the email leads I sell is not only opt-in (*that means the person filled out a form volunteering their name, mailing address and email address and asked to receive income opportunity offers*). My leads go a step further: They're **DOUBLE** opt-in. That means that after volunteering the required info they are asked A SECOND TIME to verify that they are opting into an email list to receive income opportunity emails. That's "Double opt-in" and it just doesn't get any better than that!

The only way I can go beyond that is to go to their house and rip money from their wallets! I can't do that but *YOU* can! Email them your offer. It saves you money on printing and postage. And one thing I really like about email marketing is that it usually brings an **Immediate Response**.

All of my Double opt-in email leads include Name, Mailing Address and Email Address and are only approx 7-10 days old. Each email list I sell is unique (that means each client gets different leads) to reduce competition and to give you a fair chance at making a sale.

Your email list will be put into a CD and mailed to you by 2-Day Priority Mail. Once you are an established client (at least two previous orders) I can email the file to you if you prefer. Your list will be cleaned and validated prior to sending it to you to ensure freshest quality. You will receive your file in an Excel spreadsheet. I do not offer a bulk email sending service and cannot refer you to anyone who does. (Google "bulk email service".)

To order Online go to my website and click on the "Email Lists" link on the left side of the page. Near the bottom of that page click on "ORDER NOW" to get your list.
